### Chudleigh Town Cemetery (Tower Hill Cemetery)

The History of Chudleigh, written by Mary Jones and revised and corrected by William Snell (2<sup>nd</sup> edition, 1875) stated:

*A cemetery is being provided for the town, owing to the crowded state of the churchyard which has long exercised the minds of the parishioners. Two acres of a field near the town on the Teignmouth Road have been purchased of Lord Clifford, at a cost of £400, for this purpose.*

The cemetery is managed by Chudleigh Town Council.
